Badger Series: Mitch lead the discussion on prizes. BOD approved to continue the Badger Series with a budget of \$5000. Host state shoot club has the option to obtain the main prizes if they choose or Mitch Coyour will purchase them. Clubs who pay the \$25 per event to be part of the Badger Series are to have \$100 worth of prizes to hand out at their event and to also bring prizes worth \$100 to the state shoot for drawings from all Badger Series shoots.

Waukesha not doing Wis. Open this year and WSCA can use that advertising space to explain Badger Series on the printed shoot schedule. Asking clubs for fresh new ideas for the series prizes. Have Clint add a page on website to list events and prizes.

Mike Boyd volunteered to help Badger committee. Thank you Mike

North/South shoot off; shoot went well...south zone won this year. Luke's suggestion was to not have North and South shoot date on the same day to allow shooters to go to both if possible. Keep shoot off format the same at the state shoot

Unfinished business: WSCA banners did not get made.....Andy Kalmer removed his suggestion of doing banners

New business:

2024 State Shoot--- Wern is up in rotation for State Shootapproved (Motion to accept Scott Goetzka, Second by Andy Kalmer)

Pat Gerbensky lead a discussion on state shoot questions:

Entry fees: After a lengthy discussion about the increased costs for a club to host the state shoot, Pete Melloy suggested increasing the entry fees to \$1/target to include tax and fees, except FITASC where entry fees will stay the same and to include a Saturday evening social event.

Leave trophies the same

Leave all shoot-offs the same

Officer elections: Pat Gerbensky motion to keep present officers and Scott Goetzka second. Approved

Scott Goetzka led the discussed for the WSCA to join the WGPA to assist in paying our lobbyist

Motion by Pat Gerbensky and second by Lloyd Marks to give \$2000 to become a member of WGPA. Will be reviewed yearly.

Shoot dates for 2022 were chosen.

Suggestion for the Secretary to e-mail a pdf excel sheet to all clubs to verify their dates before the meeting. Should be helpful.

Pat Gerbensky reminded all clubs that by paying \$25 for \$100 worth of State Shoot Raffle tickets Clubs are able to keep the ticket sale money (\$100) to help offset their WSCA fees.

Also for any club that opts not pay the \$25 ---the state shoot host club can pay it and collect the \$100 from the WSCA for the raffle.
