Vote to keep in rotation - Approved

Phil Chojnacki said he had complaints with some shooters not liking the sub gauge set up. J&H stated that they had many shooters thanking them for offering all 3 sub-gauges over several days. allowing shooters the opportunity to choose when they would like to shoot them.

Also didn't like the Super Sporting rule about only seeing one target from each trap.

Also didn't like not being able to shoot single targets.

Shoot-offs: Bad....needed more than 3 traps and they need to work. 6 traps were offered and one night there were trap troubles. Need to make sure whoever is running the shoot-offs offer more than 3 trap presentations in the future.

Didn't like shoot-offs the same day!
